

ICAR-Central Potato Research Institute, Regional Station, Shillong Participated in “Potato Conclave and Business Launch events” organized by Directorate of Horticulture and Food Processing (DoH&FP), Govt. of Assam in collaboration with The International Potato Center (CIP) under Assam Agribusiness and Rural transformation Project (APART) on 26th – 27th August, 2022 at Assam Administrative Staff College, Khanapara, Gauhati, Assam.

Mr. Atul Bora, Hon’ble Minister of agriculture, Horticulture and food Processing, Animal Husbandry and Veterinary, Govt of Assam Graced the Conclave as the Chief Guest.

Dr. Clarissa Challam, Scientist, CPRI Shillong Station, gave lecture on “Scope and prospect of different Potato varieties released by CPRI in Assam” on the occasion.

ICAR-CPRI displayed several technologies of the Institute, such as- Potato Varieties notified for NEH region, Aeroponics, Apical rooted cuttings, Value added products, pest & diseases and its control measures, farm mechanizations etc at the event.

The aim of the potato conclave was to highlight the achievements made in the Potato Value Chain in Assam under APART as well as to bring all stakeholders together to forge strong linkages to further strengthen the potato value chain in the state of Assam. Farmers from different Potato Value chain School, Seed industries, processing industries, Govt. organisation directly or indirectly involved in agribusiness attended the programme.
