

Visit of Dr Jurgen Kroshchel, Country Manager, CIP at CPRI Campus, Modipuram

Dr Jurgen Kroshchel, Country Manager, CIP, New Delhi and Mr. MS Kadian, Regional Potato Leader, CIP, New Delhi visited the Campus on 20th February, 2017. Dr. Manoj Kumar, Joint Director and Scientists welcomed him and described research activities conducted at the Campus. Dr. Jurgen visited different fields where harvesting of experiments of CPRI-CIP collaborative projects were going on. Dr VK Gupta explained the results and findings of the collaborative project. Dr. Jurgen also visited with the Seed Production Unit, Machhari and got the information about the seed production system of the campus. Dr. Jurgen appreciated for the research activities being carrying out at the Campus. He showed special interest in cropping system experiments as well as in entomological experiments.
